# CELEBRATING FRESH ART IN DELHI

PHOTO: MANOJ VERMA/HT

A host of the city's art enthusiasts came together to raise a toast for the opening of an exhibition. Titled *Two Shadows One Image*, the show by Jayanta Roy and Sumantra Mukherjee was well-attended. "I build on the legacies of pop, minimalism and conceptual art in a post-colonial milieu," explained Roy. We loved his printed shirt, that was absolutely in sync with the event. The evening saw a lot of arty chit-chat and catching up among friends.
