Friday 8th March - 10th March 2024

Brushes of Hope- Fundraising Event for Cancer Support
Brushes of Hope is a fundraising event that seeks to unite the power of creativity and compassion to support individuals and families affected by cancer. This unique event will bring together artists, enthusiasts, and supporters to create a memorable experience while contributing to the fight against cancer. Cancer affects millions of lives worldwide, causing physical, emotional, and financial burdens. Art has the incredible ability to transcend words and connect people on a profound level. Through Brushes for Hope, we aim to leverage the healing and inspiring qualities of art to raise funds for cancer research, treatment, and patient support programs. We are raising money to directly support cancer patients and research initiatives. Increase awareness about cancer prevention, early detection, and available resources. Provide a platform for artists to showcase their work and contribute to a meaningful cause. Create a supportive and uplifting community that stands together against cancer.
